About EEN Singapore:

The Enterprise Europe Network (EEN) Singapore is a Consortium comprising Singapore Manufacturing Federation (SMF), International Enterprise (IE) Singapore and Intellectual Property Intermediary (IPI) Singapore formed in June 2015. It is a national initiative looking to promote business, technology and research collaborations between Singapore and European companies through business matchings.

PDPA Disclosure:

By completing this form, you have agreed to EEN Singapore sharing company and/or personal data provided by you with partners within the EEN network, service providers, contractors, consultants, agents, and/or representatives who provide services to EEN Singapore in connection with business and/or operations within or outside Singapore as may be necessary for follow-up actions. We will have in our contracts with such third parties the requisite protections to safeguard the information provided to them.
