

Low Soon Teck

Managing Director, Executive Office, Kuok (Singapore) Ltd.

Executive Vice-Chairman, Chief Executive Officer, PACC Offshore Services Holdings Ltd.

Soon Teck graduated with a law degree from National University of Singapore in 1990 and practised as a solicitor in a boutique Singapore law firm focusing on corporate and banking laws. He then joined the Kuok/Kerry Group in Hong Kong in 1994, holding various senior positions in different businesses within the Kuok/Kerry Group including real estate and hospitality, media publishing, investments and retail.

He relocated to Singapore in 2005, as the Group Financial Controller of Kuok Oils and Grain Pte Ltd, which was subsequently merged with Wilmar International Limited in 2006. At Wilmar International Limited, he held the position of Group Treasurer until 2009. He was subsequently appointed CFO of PACC Offshore Services Holdings Group.

After leaving Kuok Group in 2013, he held the positions of Group CFO at RCMA Group, a commodities supply chain management company and at IHH Healthcare Berhad, a Malaysian listed company of market capitalisation of more than US\$10 billion that owns and operates over 80 hospitals globally. He was also a Board Director of Fortis Healthcare Limited, the second largest healthcare group listed in India and ParkwayLife Reit which is listed on the Singapore Stock Exchange.

He obtained an executive MBA from University of Chicago Booth School Business in 2004 and is also a member of the Law Society of England and Wales.
