

SMFACTS

Issue #26

Dear Valued Members of the SMF,

How May We Help?

We understand that as we continue the fight against COVID-19, there are many uncertainties. The team here at the SMF is ready to help.

Be it feedback on business concerns or queries on government grants and exemptions in relation to COVID-19, submit them via the SMF ACTS Feedback form below. We will forward these on to the relevant agencies and do our best to get an answer for you.

Feedback on Extended Circuit Breaker

The COVID-19 circuit breaker will be extended by one month to 1 June 2020 with additional measures put into place to curb the spread of the coronavirus.

We would like to know how these measures have affected your business and what you think about them. Click below to send us your feedback.

Keeping Your Business Healthy During COVID-19

IMDA and SGTech have joined together to come up with the directory of digital solutions to help Small and Medium Enterprises (SMEs) and business continuity challenges.

The specially curated offerings aim to make business continuity essentials more accessible to SMEs and businesses.

Key Categories	
Remote Working	Enables businesses to carry on business functions off-site involving the use of digital hardware and software
Visitor Management	Enables visitor registration, facilitate contact tracing and automate temperature screening
Bill and Pay Online	Enable electronic invoicing and digital payments
Sell Online	Enable businesses to move from offline to online sales complementing/ replacing physical shopfronts.
Others	Eg. Mobile Learning Platform, HR Apps, CRMs and many others
