Temporary Employment Opportunities with NTUC

Due to the current COVID-19 Situation, many companies may have under-utilised employees facing difficult situations through a reduction in hours.

To assist both companies and their employees in maintaining a strong workforce as well as supporting our nation during this period, the SMF, together with NTUC Fairprice, has come together to share temporary opportunities within NTUC Fair Price.

Some opportunities include but are not limited to: Retail Assistants, Logistics Assistants and Delivery Drivers.
