

SMFACTS

Issue #16

Dear Valued Members of the SMF,

Information on Solidarity Budget

Yesterday, Deputy Prime Minister and Minister for Finance Heng Swee Keat delivered a Ministerial Statement in Parliament on Additional Support Measures in response to the COVID-19 Elevated Safe Distancing Measures.

The Statement outlined the Government's plan for a supplementary **Solidarity Budget**, which takes further steps to:

1. Save jobs and protect livelihoods of our people during this temporary period of heightened measures.
2. Help businesses preserve their capacity and capabilities, to resume activities when the circuit breaker is lifted.
3. Provide direct cash in hand for households, to help tide families through this difficult period.
